# Donation Request Application

Our vision is “to serve and inspire our community in order to build a healthier world.” We recognize that there are many causes worthy of support, but by focusing our resources in a few areas (health, environmental, nature or humanitarianism), our impact is much greater. Donations that are religious or political in nature and individual donations are not eligible for consideration. We will respond to your request if we can identify with the cause and are able to accommodate you. Not all requests are fulfilled.

**At least two months notice is required for all donation requests.**

Please fill out the following form and e-mail it to: [marketing@naturesfoodpatch.com](mailto:marketing@naturesfoodpatch.com)
